PEACE LIARD REGIONAL ARTS COUNCIL

THREE KINDS OF POLICY

1. Framework: Includes but is not limited to the organization's mission statement; the framework policy outlines the organization's mission, its public trust and gives some sense of its long term or 'lifetime' work.
2. Governance: Includes policies which define the organization's internal operations:
 - a. Policy on policy making
 - b. Management style policy
3. Operational: Includes policy in the four functional areas:
 - a. Personnel
 - b. Programs
 - c. Finance
 - d. Advocacy

Operational policies have three parts:

- i. Intent statement: What is the belief? What is the intended outcome?
Why?
- ii. Regulations: definitions and limitations
- iii. Procedures: Who is going to do what and in what sequence?
